

Connecting your Planmeca scanner

How to send cases to Bridge Dental Lab from your Planmeca scanner (Emerald, Emerald S).

Planmeca scanners use **Romexis Cloud** to send cases to labs. We receive cases in the free Romexis LabApp inbox immediately after you send.

LAB CONNECTION DETAILS

Send to: scan@bridgedentallab.com

Step-by-step

1. In the Romexis software, capture the scan and complete the lab order form.
2. Click **Send** and choose **Romexis Cloud**.
3. Send to scan@bridgedentallab.com — we receive the case in our Romexis LabApp inbox.
4. We're notified by email and can preview the STL or PLY before importing into our CAD system.

Useful links

- Romexis Cloud: planmeca.com Romexis Cloud
- Romexis LabApp (free for labs): planmeca.com LabApp

What to include with every digital case

- **Appliance required**
- **Both arches scanned**
- **Bites** if required
- **Which practice** the case is for, if you are a multi-practice dentist

Please send any gold service scans before 11am so we can ensure your appliance will be back with you the following day.

Need help connecting your scanner?

Phone: 01202 486113

WhatsApp: 07307 858772

Email: scan@bridgedentallab.com

Web: bridgedentallab.co.uk

We accept scans from all major scanners with no extra fees — free 3D printed models with every appliance order.
